# WEEK 1

PROMISES OF SALVATION &  
GRACE

**DAY 1**

Today

**The Promise of Eternal Life**

**Scripture**

John 3:16-17, Romans 6:23

**Reflection  
Questions:**

- What does God's gift of eternal life mean to you personally?
- How does knowing this promise affect your daily choices?

**Journaling  
Prompt:**

Write about a time when you felt deeply loved by God. How does His promise of eternal life bring you peace?

# The Promise of Eternal Life

## What does God's gift of eternal life mean to you personally?

This question invites you to consider the profound nature of eternal life as described in John 3:16-17 and Romans 6:23.

Eternal life isn't just about living forever - it's about the quality and nature of life itself.

### Present Reality

Eternal life begins the moment you believe, not when you die. This means:

- You have God's own life flowing through you right now
- Death has lost its ultimate power over you
- Your relationship with God is permanent and secure
- You can face uncertainty knowing your future is guaranteed

### Transformed Perspective

This gift changes how you view everything:

- Suffering becomes temporary rather than meaningless
- Daily problems shrink in comparison to eternal glory
- Relationships take on eternal significance
- Your purpose extends beyond this life into eternity

## How does knowing this promise affect your daily choices?

This question helps you connect eternal truth to practical living. The assurance of eternal life should influence your decisions:

### Priority Shifts

Knowing you have eternal life changes what matters most:

- Investing in relationships over accumulating possessions
- Choosing character development over temporary pleasures
- Seeking God's approval rather than people's approval
- Making decisions based on eternal value rather than immediate benefit

### Reduced Anxiety

The security of eternal life decreases worry about:

- Financial setbacks that can't touch your real treasure
- Health problems that can't separate you from God's love
- Disappointments that are light compared to eternal glory
- Death, which becomes a doorway rather than a dead end

# WEEK 1

PROMISES OF SALVATION &  
GRACE

DAY 2

Today: **Grace Upon Grace**

**Scripture:** Ephesians 2:8-10, 2 Corinthians 12:9

**Reflection  
Questions:**

- How have you experienced God's grace in your life recently?
- What does it mean that God's grace is sufficient for you?

**Journaling  
Prompt:**

List three ways God's grace has been evident in your life this week.

# Grace Upon Grace

## How have you experienced God's grace in your life recently?

This question draws from Ephesians 2:8-10, where grace is defined as God's unmerited favour. Grace is kindness you don't deserve and blessings you haven't earned.

### Undeserved Kindness

Look for ways God has been good to you beyond what you've earned:

- Second chances when you've made mistakes
- Provision during times when you couldn't provide for yourself
- Forgiveness when you've disappointed God or others
- Opportunities that came through favour, not merit

### Daily Mercies

Grace appears in everyday moments:

- Waking up healthy when you did nothing to earn good health
- Relationships that bring joy despite your imperfections
- Moments of peace during stressful circumstances
- Insights or wisdom that come beyond your natural ability

## What does it mean that God's grace is sufficient for you?

This comes from 2 Corinthians 12:9, where Paul learned that God's grace was enough for his weakness and struggles.

### Perfect Supply

God's grace matches your need exactly:

- When you feel overwhelmed, His grace provides peace
- When you feel weak, His grace supplies strength
- When you feel guilty, His grace offers forgiveness
- When you feel alone, His grace brings comfort

### Strength in Weakness

God's power works best through acknowledged weakness:

- Your limitations become opportunities for God to show His strength
- Dependence on God produces better results than self-reliance
- Admitting need opens the door for divine assistance
- Weakness keeps you humble and dependent on grace

# WEEK 1

PROMISES OF SALVATION &  
GRACE

DAY 3

---

Today: **Forgiveness and Cleansing**

---

**Scripture:** 1 John 1:9, Isaiah 43:25

---

**Reflection  
Questions:**

- What does complete forgiveness look like in your relationship with God?
- How can you extend this same forgiveness to others?

---

**Journaling  
Prompt:**

Write a prayer of confession and thanksgiving for God's forgiveness.

---

# Forgiveness & Cleansing

## What does complete forgiveness look like in your relationship with God?

This question is based on 1 John 1:9 and Isaiah 43:25, which promise total forgiveness when we confess our sins.

### Legal Pardon

Complete forgiveness means your sin debt is cancelled:

- No punishment remains for confessed sin
- Your record before God is clean
- Past failures don't disqualify you from God's love
- You can approach God without shame or fear

### Relational Restoration

Forgiveness repairs your connection with God:

- Intimacy with God is restored immediately
- Prayer becomes conversation, not begging
- You can serve God without feeling unworthy
- Guilt no longer blocks your relationship with Him

### Divine Forgetfulness

God chooses not to remember your confessed sins:

- He doesn't bring up past failures to condemn you
- Your history of sin doesn't limit His plans for your future
- You're not defined by your worst moments
- Each day begins fresh with God

## How can you extend this same forgiveness to others?

This question connects receiving forgiveness with giving it, as Jesus taught in Matthew 6:12-15.

### Modelling God's Character

Forgiving others reflects what God has done for you:

- Choosing not to hold past hurts against people
- Releasing others from the debt of their wrongs
- Refusing to define people by their worst actions
- Offering fresh starts in damaged relationships

### Freedom for Yourself

Forgiveness liberates you from bitterness:

- You're no longer controlled by others' actions
- Resentment stops poisoning your heart
- Energy once spent on anger can be used constructively
- Peace replaces the burden of carrying grudges

# WEEK 1

PROMISES OF SALVATION &  
GRACE

DAY 4

Today: **New Creation**

**Scripture:** 2 Corinthians 5:17, Ezekiel 36:26

**Reflection  
Questions:**

- In what ways have you experienced becoming a “new creation”?
- What old things has God helped you leave behind?

**Journaling  
Prompt:**

Describe the person you are becoming in Christ versus who you used to be.

# New Creation

## In what ways have you experienced becoming a 'new creation'?

This question explores 2 Corinthians 5:17, where Paul declares that anyone in Christ is a new creation - old things pass away and new things come.

### Changed Desires

A new creation has different wants and priorities:

- Things that once seemed important may now feel empty
- You find yourself drawn to God, prayer, and Scripture
- Helping others becomes more satisfying than helping yourself
- Sinful activities lose their appeal or bring conviction

### New Perspectives

Your worldview shifts fundamentally:

- You see people as souls, not just bodies or personalities
- Circumstances are viewed through the lens of God's sovereignty
- Temporary setbacks don't devastate you like they used to
- You recognise God's hand in situations you once called coincidence

### Transformed Relationships

How you relate to others changes:

- You love people you once found difficult
- Forgiveness becomes possible where it once seemed impossible
- You serve others without expecting anything in return
- Conflict is approached with humility rather than defensiveness

## What old things has God helped you leave behind?

This explores the "passing away" aspect of becoming a new creation.

### Sinful Patterns

Behaviours that once controlled you lose their power:

- Addictions that seemed unbreakable begin to weaken
- Lying becomes uncomfortable where it once felt natural
- Anger doesn't dominate your reactions like before
- Sexual immorality loses its appeal as God satisfies deeper needs

### Destructive Mindsets

Thought patterns that harmed you begin changing:

- Self-hatred is replaced by understanding your worth to God
- Worry gives way to trust in God's provision and care
- Bitterness dissolves as you experience God's love
- Pride softens as you recognise your dependence on God

# WEEK 1

PROMISES OF SALVATION &  
GRACE

DAY 5

---

Today: **Justification by Faith**

---

**Scripture:** Romans 5:1-2, Galatians 2:16

---

**Reflection  
Questions:**

- What does it mean to be justified by faith rather than works?
- How does this truth bring you peace with God?

---

**Journaling  
Prompt:**

Reflect on the difference between trying to earn God's love versus receiving it freely.

---

# Justification by Faith

## What does it mean to be justified by faith rather than works?

This question addresses the core truth of Romans 5:1-2 and Galatians 2:16 - that we're declared righteous through faith, not effort.

### Legal Declaration

Justification is God's verdict about your standing:

- You're declared "not guilty" based on Christ's work, not yours
- Your righteousness comes from Jesus, not your behaviour
- It's a one-time declaration, not an ongoing process
- Your standing with God is settled permanently

### Faith vs. Works

The basis of acceptance differs completely:

- Faith trusts in what Christ has done
- Works attempt to earn what Christ has already provided
- Faith receives a gift; works try to pay a debt
- Faith brings rest; works bring anxiety about performance

### How does this truth bring you peace with God?

This explores the result of justification described in Romans 5:1 - "we have peace with God."

### End of Hostility

War between you and God is over:

- You're no longer God's enemy but His friend
- Fear of judgment is replaced by confidence in acceptance
- You can approach God boldly, not timidly
- God's face is toward you in love, not turned away in anger

### Security in Relationship

Your position with God is stable:

- Bad days don't make you less justified
- Good days don't make you more justified
- Your acceptance doesn't fluctuate with your performance
- You can focus on growing in love rather than earning approval

# WEEK 1

PROMISES OF SALVATION &  
GRACE

DAY 6

Today: **Adopted as Children**

**Scripture:** Romans 8:15-17, Galatians 4:4-7

**Reflection  
Questions:**

- What does it mean to you that God calls you His child?
- How does your identity as God's child change how you see yourself?

**Journaling  
Prompt:**

Write about what it feels like to belong to God's family.

# Adopted as Children

## What does it mean to you that God calls you His child?

This question draws from Romans 8:15-17 and Galatians 4:4-7, which describe our adoption into God's family.

### Family Identity

You belong to God's household:

- You have the same standing as Jesus, the firstborn Son
- Your identity comes from whose child you are, not what you do
- Family resemblance develops as you spend time with your Father
- You represent the family name wherever you go

### Inheritance Rights

As a child, you're an heir:

- Everything that belongs to God becomes yours
- His resources are available for your needs
- His wisdom is yours for the asking
- His power works on your behalf

### Intimate Access

Children have special privileges:

- You can call God "Abba" (Daddy), not just "Lord"
- You can approach Him anytime without an appointment
- He delights in your presence, not just your service
- Your requests are heard as a child's needs, not a stranger's demands

## How does your identity as God's child change how you see yourself?

This explores how adoption affects self-perception and confidence.

### Unconditional Love

Your worth isn't based on performance:

- You're loved because you're His child, not because you're good
- Mistakes don't change your family status
- God disciplines you as a loving Father, not an angry judge
- Your value is inherent, not earned

### Confident Security

You belong permanently:

- Adoption in Roman culture was irreversible - so is God's
- You can't be "unadopted" even when you disappoint Him
- Other people's opinions matter less when you know whose you are
- You can take risks in serving God because your security isn't threatened

# WEEK 1

PROMISES OF SALVATION &  
GRACE

DAY 7

Today:

**Weekly Reflection**

---

**Scripture:** Review your favorite verse from this week

---

**Reflection  
Questions:**

- Which promise from this week meant the most to you?
- How has your understanding of God's grace grown?

---

**Journaling  
Prompt:**

Write a letter to God expressing gratitude for His promises of salvation and grace.

---

# WEEK 2

PROMISES OF PROVISION & CARE

DAY 8

Today: **All Needs Supplied**

**Scripture:** Philippians 4:19, Matthew 6:25-26

**Reflection Questions:**

- What needs are you trusting God to meet right now?
- How does knowing God cares for the birds encourage you about His care for you?

**Journaling Prompt:**

List your current needs and write prayers trusting God to provide.

# All Needs Supplied

## What needs are you trusting God to meet right now?

This question connects to Philippians 4:19, where Paul promises that God will supply all needs according to His riches in Christ Jesus.

### Physical Needs

God cares about your material requirements:

- Food, shelter, and clothing are legitimate concerns to bring to God
- Employment and income fall under His provision
- Health needs and medical expenses are on His radar
- Transportation and practical daily needs matter to Him

### Emotional Needs

God addresses your heart's requirements:

- Need for security and peace in uncertain times
- Desire for meaningful relationships and community
- Requirement for purpose and significance in life
- Longing for comfort during grief or disappointment

### Spiritual Needs

God supplies what your soul requires:

- Wisdom for decisions you're facing
- Strength for challenges you're enduring
- Peace for anxieties you're experiencing
- Growth in areas where you're struggling

## How does knowing God cares for the birds encourage you about His care for you?

This comes from Matthew 6:25-26, where Jesus points to God's care for birds as evidence of His greater care for humans.

### Divine Attention to Detail

If God notices every bird:

- He certainly sees your specific circumstances
- No detail of your life is too small for His attention
- His care extends to practical, everyday matters
- You don't have to beg for His notice or concern

### Comparative Value

You matter more than birds:

- Humans are made in God's image; birds aren't
- You have an eternal soul; birds don't
- God sent His Son for you; not for birds
- If He cares for lesser creatures, how much more for you

# WEEK 2

PROMISES OF PROVISION & CARE

DAY 9

---

Today: **Daily Bread**

---

**Scripture:** Matthew 6:11, Deuteronomy 8:3

---

**Reflection  
Questions:**

- What does “daily bread“ mean beyond physical food?
- How can you trust God for today’s needs without worrying about tomorrow?

---

**Journaling  
Prompt:**

Reflect on how God has provided for you in the past week.

---

# Daily Bread

## What does 'daily bread' mean beyond physical food?

This question explores Jesus' model prayer in Matthew 6:11, asking for "daily bread."

### Spiritual Nourishment

Your soul needs daily feeding:

- God's Word provides wisdom and guidance for each day
- Prayer supplies the spiritual energy you need
- Fellowship with God nourishes your relationship with Him
- His presence satisfies deeper hunger than physical food

### Emotional Sustenance

Your heart needs daily care:

- Peace for the anxieties that arise each day
- Hope for the discouragements you face
- Joy to counteract life's inevitable disappointments
- Love to fill the emptiness that relationships can't completely satisfy

### Practical Resources

Daily life requires ongoing provision:

- Wisdom for decisions you must make today
- Strength for challenges you're currently facing
- Opportunities for the work you need to do
- Relationships that support and encourage you

## How can you trust God for today's needs without worrying about tomorrow?

This addresses Jesus' teaching in Matthew 6:34 about not worrying about tomorrow.

### Present Focus

Today's grace is sufficient for today:

- God gives strength for today's challenges, not tomorrow's
- Worrying about future problems wastes today's energy
- Each day brings its own portion of grace and provision
- Tomorrow's problems will have tomorrow's solutions

### Proven Faithfulness

God's track record encourages trust:

- He has provided for you every day of your life so far
- Past deliverances demonstrate His ongoing commitment
- He has never failed to care for His children
- His character guarantees future provision

# WEEK 2

PROMISES OF PROVISION & CARE

DAY 10

---

Today: **The Good Shepherd**

---

**Scripture:** Psalm 23, John 10:11-14

---

**Reflection  
Questions:**

- In what ways has God been your shepherd recently?
- What does it mean that the Good Shepherd knows you by name?

---

**Journaling  
Prompt:**

Rewrite Psalm 23 in your own words, personalising it to your current situation.

---

# The Good Shepherd

## IN WHAT WAYS HAS GOD BEEN YOUR SHEPHERD RECENTLY?

This question invites personal reflection on Psalm 23 and John 10, where God is described as a shepherd who cares for His sheep.

A shepherd's role includes:

### Guidance and Direction

Just as a shepherd leads sheep to green pastures and still waters, God guides us toward what's best for us.

This might look like:

- Providing clarity during a difficult decision
- Opening or closing doors of opportunity
- Speaking through Scripture, prayer, or wise counsel
- Leading you away from harmful situations

### Protection

Shepherds protect their flock from predators and dangers. God's protection might be evident through:

- Keeping you safe during travel or dangerous situations
- Protecting your heart from bitterness or despair
- Shielding you from temptations you couldn't handle
- Providing strength during spiritual attacks

### Provision

Shepherds ensure their sheep have everything they need. You might reflect on how God has:

- Met your physical needs (food, shelter, employment)
- Provided emotional support through difficult times
- Supplied wisdom or resources at just the right moment
- Sent people into your life to help and encourage you

### Restoration

When sheep wander or get injured, shepherds bring them back and tend their wounds. Consider how God has:

- Restored your relationship with Him after you've strayed
- Healed emotional or spiritual wounds
- Brought you back to peace after anxiety or fear
- Refreshed your soul during seasons of weariness

## WHAT DOES IT MEAN THAT THE GOOD SHEPHERD KNOWS YOU BY NAME?

This question draws from John 10:3, where Jesus says the shepherd "calls his own sheep by name." It's about the deeply personal nature of God's relationship with each believer.

**Individual Recognition:** Unlike a distant deity, God knows you specifically – not just as one of many, but as a unique individual. This means:

- Your specific struggles, dreams, and personality matter to Him
- He sees you in the crowd and knows your individual story
- Your prayers aren't lost in a sea of millions of other prayers

**Intimate Knowledge:** Knowing someone's name in biblical culture implied deep, personal knowledge. God knows:

- Your thoughts before you speak them (Psalm 139:4)
- Your needs before you ask (Matthew 6:8)
- Your fears, hopes, and deepest longings
- Your past, present, and future

**Personal Calling:** When God calls you by name, it suggests:

- You have a unique purpose and calling in His kingdom
- He has specific plans and gifts designed just for you
- Your relationship with Him is not generic but deeply personal
- He speaks to you individually through His Word and Spirit

**Security and Belonging:** Being known by name means:

- You belong to Him and are secure in that relationship
- You're not forgotten or overlooked, even in difficult times
- Your identity is rooted in how God sees you, not how others see you
- You can trust that He will never confuse you with someone else or forget your needs

These reflection questions encourage you to move beyond just reading about God's care to actually recognising and experiencing it in your daily life. They help you see that the ancient imagery of the Good Shepherd isn't just metaphorical – it's a present reality in your relationship with God today.

# WEEK 2

PROMISES OF PROVISION & CARE

**DAY 11**

---

**Today:** *Refuge & Strength*

---

**Scripture:** Psalm 46:1-3, Proverbs 18:10

Questions:**

- When have you experienced God as your refuge?
- What troubles are you currently bringing to God for strength?

---

**Journaling  
Prompt:**

Describe a time when God was your safe place during difficulty.

---

# Refuge & Strength

## WHEN HAVE YOU EXPERIENCED GOD AS YOUR REFUGE?

This question draws from Psalm 46:1-3 and Proverbs 18:10, which describe God as our refuge and strong tower.

### Emotional Protection

God shelters your heart:

- During family conflicts, His peace guards your emotions
- In times of criticism, His love reassures you of your worth
- When facing rejection, His acceptance provides security
- During grief, His comfort sustains you through pain

### Spiritual Safety

God shields you from spiritual attacks:

- When tempted beyond your strength, He provides escape routes
- During seasons of doubt, His truth anchors your faith
- When under spiritual attack, His power defends you
- In times of confusion, His wisdom clarifies your path

### Physical Circumstance

God protects in practical ways:

- Safety during travel when dangers threaten
- Protection from accidents that could have been severe
- Provision of help when you're in vulnerable situations
- Shelter from storms, both literal and metaphorical

## WHAT TROUBLES ARE YOU CURRENTLY BRINGING TO GOD FOR STRENGTH?

This explores how to run to God as your strong tower during current difficulties.

### Overwhelming Responsibilities

When life feels too heavy:

- Parenting challenges that exceed your wisdom
- Work pressures that drain your energy

- How can you be a source of comfort to others?

---

**Journaling Prompt:** Reflect on a time of sorrow and how God's presence sustained you.

---

# Comfort in Sorrow

## HOW HAS GOD COMFORTED YOU DURING DIFFICULT TIMES?

This question explores 2 Corinthians 1:3-4, which calls God the “Father of compassion and God of all comfort.”

### Divine Presence

God’s comfort often comes through His nearness:

- Sensing His presence during prayer in difficult moments
- Finding peace that doesn’t match your circumstances
- Experiencing supernatural strength to face each day
- Feeling loved when human comfort isn’t available

### Through His People

God often comforts through others:

- Friends who showed up at just the right time
- Family members who provided practical help
- Church members who prayed and supported you
- Even strangers who offered kindness when you needed it most

### Through His Word

Scripture becomes personal comfort:

- Bible verses that seemed written specifically for your situation
- Passages that brought hope when despair threatened

- Stories of others who faced similar struggles and found God faithful

## HOW CAN YOU BE A SOURCE OF COMFORT TO OTHERS?

This addresses the purpose of receiving comfort – to share it with others in need.

- Telling others how God helped you through similar struggles
- Offering hope based on what you’ve learned about God’s character
- Providing practical help based on what was helpful to you
- Simply being present with others in their pain

### Modelling God’s Character

# Strength for the Weary

## WHEN DO YOU FEEL MOST IN NEED OF GOD'S STRENGTH?

This question connects to Isaiah 40:28-31, which promises renewed strength for those who wait on the Lord.

### Physical Exhaustion

When your body reaches its limits:

- Caring for sick family members around the clock
- Working long hours to meet financial obligations
- Dealing with chronic health conditions that drain energy
- Facing the physical demands of aging

### Emotional Depletion

When your heart feels empty:

- Grieving losses that seem too heavy to bear
- Battling depression that steals motivation
- Dealing with anxiety that exhausts your mental energy
- Facing repeated disappointments that discourage you

### Spiritual Dryness

When your soul feels weak:

- Going through seasons when God feels distant
- Struggling with doubts that shake your faith
- Facing temptations that seem stronger than your resistance
- Dealing with spiritual attacks that leave you feeling defeated

## HOW DOES GOD'S POWER WORK BEST THROUGH YOUR WEAKNESS?

This explores Paul's discovery in 2 Corinthians 12:9-10 that God's strength is perfected in weakness.

### Dependence Creates Space

When you're weak, God can work:

- Self-reliance blocks God's power; weakness invites it
- Admitting need opens the door for divine assistance
- Pride resists help; humility receives it gladly
- Strength makes you independent; weakness makes you dependent on God

### God Gets the Glory: When God works through weakness, He's clearly the source:

- People see God's power, not your ability
- Results exceed what you could accomplish alone
- Credit goes to God rather than human effort
- Your weakness highlights His strength

# WEEK 3

PROMISES OF PROVISION & CARE

DAY 16

Today: **Divine Guidance**

**Scripture:** Proverbs 3:5-6, Psalm 32:8

**Reflection Questions:**

- In what areas of life are you seeking God's guidance?
- How do you recognise God's voice and direction?

**Journaling Prompt:**

List decisions you're facing and ask God for His wisdom.

# Divine Guidance

## IN WHAT AREAS OF LIFE ARE YOU SEEKING GOD'S GUIDANCE?

This question draws from Proverbs 3:5-6 and Psalm 32:8, which promise God's direction for those who trust Him.

### Major Life Decisions

Big choices require divine wisdom:

- Career changes or job opportunities
- Marriage decisions and relationship choices
- Where to live and whether to relocate
- Educational pursuits and training opportunities

### Daily Choices

Even small decisions benefit from God's input:

- How to spend your time and energy
- Financial decisions and spending priorities
- Parenting choices and discipline approaches
- Ministry opportunities and service commitments

### Relationship Issues

God's wisdom helps navigate people problems:

- How to handle conflict with family or friends
- Whether to continue or end certain relationships
- How to love difficult people in your life
- When to speak truth and when to remain silent

## HOW DO YOU RECOGNISE GOD'S VOICE AND DIRECTION?

This explores the practical aspects of receiving divine guidance.

### Through Scripture

God's Word provides direction:

- Biblical principles guide decision-making
- Specific verses speak to your situation
- Scripture confirms or redirects your thinking
- God's character revealed in the Bible shapes your choices

### Through Prayer

Communication with God brings clarity:

- Peace about certain directions during prayer
- Restlessness about paths that aren't right
- Ideas and insights that come during quiet time with God
- Confirmation through multiple times of prayer about the same issue

### Through Circumstances

God opens and closes doors:

- Opportunities that align with His will open naturally
